ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

Course Objective:

The objective of this course is to update DDA Careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

1. Please indicate on the scale below the degree to which the course met its objective:

2. What part of the course did you find the most useful? - *It is difficult for me to derive useful - Useful for information, career, personal, as unknown - I find parts were useful in all these categories. Perhaps I could say the information on personal applications were most useful to me.*
3. What part of the course did you find the least useful? - *Found all parts useful - a good overall program or at least broadening & informative*
4. Please describe how the course benefited you. *a better understanding of all the DDA components. Update of services - opened up the world as to speak of CIA*
5. What suggestions do you have for improving this course? *Some will done, but perhaps a bit more physical action could be incorporated perhaps from a personal standpoint - Excellent group of speakers, informative, capable & great delivery and well chosen topics - Best overall for cross*

people & components, but I feel extending this & having
people say a little bit about their specific job
or a show & tell about members

Course suggestion: - a layman course of
basic computer - basic operation, hardware etc -
